January 2009 Newsletter from Southern Africa

Ivor Douglas writes:

The words of Jesus to his disciples in Mark 16v15 - "Go into all the world and preach the good news to all creation". Our world comprises of South Africa, Namibia, Angola and the DRC.

We are going into 2009 with excitement and enthusiasm that with God we can accomplish great things. Maybe you feel that as an ordinary person being interested in Missions yet called to stay at home - how can I get involved in the great commission of world evangelism? We want to encourage you that what we will be able to achieve this year very much depends on you. We need your continued moral, financial and prayer support.

Here is our vision for 2009:

South Africa

Strengthening the leadership as they operate as an autonomous country.

Future planning by the National Missions Committee in raising finance and awareness of Missions needed to serve in the countries of Namibia, Angola and the DRC.

Namibia and Angola

Continuation of visiting the churches, preparing key leadership to carry the work further under the covering of the South African Council.

Democratic Republic of Congo

Purchasing of suitable plot in Kinshasa for a central church which can also be used for teaching and equipping leaders.

Co-ordination of the Apostolic work in the country covered by the UK, Belgium and the autonomous work under Pastor Molopwe.

Prayer request

Engage with us in warfare as we confront many spiritual forces that are evident in the nations we represent.

That by the end of 2009, together we will have accomplished what God has put in our hearts to do.

Just to inform you that our son Mark and wife Jenny had a baby boy [photo above] on the 4th December. They are calling him Matthew and he weighed in at 2.9 kilos !

We are glad to be Granny and Granda.

Just waiting for the arrival of Sharon and Peter's little one, which we trust it will not be long.

Love from

Ivor and Alice
