November 2006

Dear Friends

Back in Cape Town

We're back in Cape Town again after spending the last three months on furlough in the UK. It was great to meet so many of you while we visited 26 churches in England, Scotland, Wales and nor forgetting, Northern Ireland.

We really want to thank you for all your love, encouragement and support that you showed us for our work here in South Africa, Namibia and Angola. And a special thank-you to all the hostesses who looked after us so well as we traveled up and down the country.

South African National Council

The South African National Council meeting takes place from 17th to 19th November. Please pray for this important meeting.

“Almost Ophray Winfrey Live”

Sounds interesting, doesn't it? Well, we don't have the real Ophray Winfrey coming to the Mitchells Plain church on 22nd November but we do have Mrs Alice Douglas instead!

Ophray/Alice will be the hostess for a missions night which will include drama and interviews with some famous missionaries including Florence Nightingale, David Livingstone and Mary Slessor, all dressed in period costume, of course. We hope that it will raise the profile and awareness of mission in the church.

Women's Weekend

Over 20 women from the Mitchells Plain church are going away for a residential weekend from 24th to 26th November. Please pray that it will be a time of refreshing and blessing for them all.

Love
Ivor and Alice
