## AC Youth News and Views from the Baltics - Feb. '09.

Hi All,

Well, the New Year has come and gone, and with it's passing all the associated festivities and so we face, with anticipation and hope, another year. Already January leaves us and as you get older, time seems so drastically to up tempo, so **learn to enjoy the day, living for the moment, serving Jesus to the best of your ability.**

Over the Christmas and New Year, Margaret and I visited many of our contacts, and shared with loads of friends the joys of the season; we were so grateful to sponsors who enabled us to bless so many children again in a practical way.

We want to invite you to ask for a copy of the PowerPoint that we have sent to the Actionoverseas Administrator, Ps. Nigel Bainbridge, and which is being circulated to all of our supporting, sponsoring churches. If your church is among these then please make sure you have access to a copy, if not, but you still pray for us, then ask for a copy and I am sure you will receive it. In it we share pictures and 'footnotes' of what we have been involved in over the season of goodwill, in your name, and that of the AC and most importantly the Lord's name.

Probably you too have been brought up with the mandate of, "it is more blessed to give than to receive" well ours has been the immense joy to be distributors of gifts to dozens of children and youth and this you will see on the PowerPoint—enjoy!

This month, February, sees us embarking upon our journeys outside Latvija, and in particular to Lithuania, where we are honoured to share a brilliant relationship with a lovely family and church in the coastal city of Klaipeda. Around the 22nd we shall be leading seminars to do with "Christian Family Life". We shall also meet and share with children, teenagers, adults, parents, grandparents, in fact ALL who have a role to play, both natural and spiritual in influencing for the good, a family. Please pray that this will be successful and a joy to be involved in.

It is our privilege and honour to represent you wherever we go, and we are constantly mindful of this fact as we preach, share, counsel and minister. We are YOUR reps. And we do it with a sense of responsibility too, acknowledging that without your continuing support our foundations would at the best be weak, and at the worst non-existent, so please keep up the good work!

Enjoy the pictures!!!!

Blessings on you all,

*Pastor John and Margaret.*
